

# **IERM/WAFA SCHOLARSHIP TRUST FUND**

## ***Invitation to Apply***

Students studying towards a qualification in the field of Horticulture, Landscape Technology, Parks and Recreation Administration or Nature Conservation are invited to apply for the IERM/WAFA Scholarship for the current academic year.

The value of scholarship is **R10 000** per annum.

The successful applicant must demonstrate a high level of academic achievement and qualities of merit, intellect, leadership and character.

Applicants should provide their full names, address, contact details and identity number and indicate the studies for which they are currently registered as well as the studies for which this scholarship would be used. A copy of their latest academic results and current proof of registration with a formal South Africa Higher Educational Institution must be attached. Applicants must also indicate how they are funding their current studies, why they require assistance and how they intend to use the funds. Please email applications to [iermservices@vdw.co.za](mailto:iermservices@vdw.co.za)

Applicants may be required to attend an interview with the chairperson of the nearest IERM branch or a member of the Education and Training Committee.

Successful applicants will be notified in writing. The scholarship will only be paid out after proof of registration has been provided.

The Applicant will be required to provide a progress report to the Education and Training Committee after each semester.
